Dear Sir:

On reviewing Applicants' Second Preliminary Amendment mailed on December 11, 2002, Applicants noticed that mistakes were made in the marked up versions of claims 39 and 50 submitted therewith. Specifically, no marked-up version of claim 39 was provided, and the marked-up version of claim 50 failed to show the deletion of "memory mapped" in line 4. Accordingly, Applicants re-submit marked-up versions of claims 39 and 50. For the Examiner's convenience, a clean copy of all claims after the amendments made in the Second Preliminary Amendment is included in Appendix A.
